Buffing Pads

Accessories

Family owned and operated since 1953, Presta Products and its parent company are built on a rich tradition of commitment to customer care. Through the years we have built a definition of success that includes a strong, committed group of employees, innovative product development, quality manufacturing processes and customer satisfaction.

Presta products have been specifically formulated to deliver exceptional results on all painted surfaces. Clearcoat, single stage, new or old – Presta products create a dazzling, mirror-like finish. Presta products are also the perfect choice for gel coats, mold refinishing, composites, Plexiglas and fiberglass. All of our compounds are water based, VOC compliant and easy to clean up. They contain no waxes, silicones or fillers to hide scratches, so the finish observed after buffing stays true. With features like these, it's easy to see why Presta is "The Finest of Finishing Products."

PAINT PREP & RESTORATION PRODUCTS

Scuff Stuff™

Water-soluble cleaners strip away waxes, sealers, road film and dirt while super fine abrasives create a consistent surface profile. This profiling helps coatings spread flatter and bond more securely to the treated surface. Use Scuff Stuff to prepare blend and hard-to-reach areas, such as around door locks and under seals and door jambs. It is ideal for cleaning and abrading urethane bumpers. Scuff Stuff rinses off easily and completely with water.

3.0 kg. (6.6 lb.) tub
28 fl. oz.
16 fl. oz.

Part # 131730
Part # 131732
Part # 131716

Scuff Stuff BlenPad™

Creates a more uniformly even surface than traditional scuff pads. Please observe photo above. Both sides were scuffed using Scuff Stuff. As you can clearly see, the area on the right, scuffed with the BlenPad, has a much more even and consistent profile.

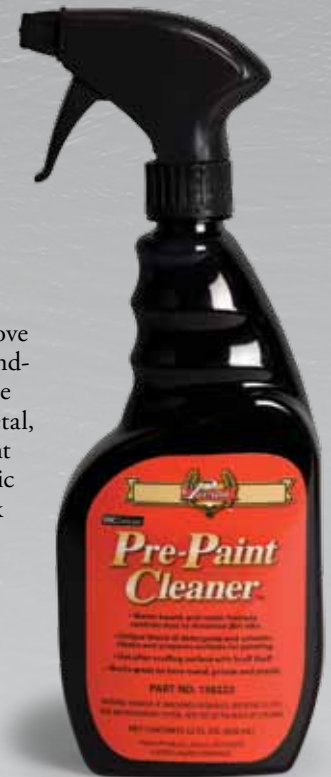

4-pack of BlenPads # 8101504

Pre-Paint Cleaner™

VOC compliant, water-based cleaner/degreaser containing a unique blend of detergents and solvents that quickly and efficiently prepare surfaces for painting. It is formulated to remove oil, grease, wax, silicone, sanding residue and other surface contaminants from bare metal, primer and plastic. Pre-Paint Cleaner greatly reduces static build-up, which helps check dirt nibs and minimizes the need to wet sand and buff. Use after scuffing surface with Scuff Stuff.

1 gal. Part # 138201
22 fl. oz. Part # 138222

Paint Release Hand Cleaner

Removes urethane-based coatings such as primers, base-coats and clear coats as well as urethane and butyl windshield adhesive/sealants. Paint Release Hand Cleaner effectively removes grease, oils, epoxies, body fillers and fiberglass resin while leaving hands soft and conditioned.

THE ULTRA BUFFING SYSTEM

Five quality products – Ultra Cutting Crème, Ultra Cutting Crème Light, Ultra Polish, Swirl Remover and Hand Glaze – form the fastest and easiest buffing system available. Each of these specialty formulated products is designed to produce outstanding results on its own, or in combination with each other. We've named the products to clearly identify their specific functions and color coded each product with a banner on the label to indicate which specially-designed Buffing Pad will deliver optimum results. With features like these, it's easy to see why Presta's Ultra Buffing System is truly the "Finest of Finishing Products".

Ultra Buffing System

Ultra Cutting Crème

Aggressive compound developed to remove 1200-grit and finer sand scratches from soft and aged paint. This advanced formula makes compounding ultra-high solid clears faster and much easier. Ultra Cutting Crème produces outstanding gloss on all automotive finishes, gel coats and marine coatings. Best used with black wool (part # 890140).

For best results use our black wool buffing pad (part # 890140). See page 8 for pads.

Product Size	Part Number
3 kg. (6.6 lb. tub) Ultra Cutting Crème	131905
1 gal. Ultra Cutting Crème	131901
32 fl. oz. Ultra Cutting Crème	131932
16 fl. oz. Ultra Cutting Crème	131916

Ultra Cutting Crème Light

Mildly abrasive compound designed to remove 2000-grit and finer sand scratches from any paint surface – from soft, freshly painted to fully cured. Ultra Cutting Crème Light produces a high-gloss finish without the use of waxes, silicones or fillers that hide scratches and defects. Best used with yellow wool (part # 890142) or yellow foam (part # 890136) pads.

Gal. Part # 133401
32 fl. oz. Part # 133432

For best results use our yellow wool buffing pad (part # 890142). See page 8 for pads.

Ultra Polish

Cleaner/polish removes minor surface imperfection and oxidation from new or aged automotive paint. With no waxes, fillers or silicones that hide defects, Ultra Polish creates an extremely-high gloss finish that won't wash away. Best used with green wool (part # 890143) or green foam (part # 890137) pads.

Gal. Part # 133501
32 fl. oz. Part # 133532

For best results use our green wool buffing pad (part # 890143). See page 8 for pads.

Swirl Remover

Designed to remove swirls from both fresh and cured paint surfaces while leaving a high-gloss finish. For heavy, cured swirls, best results are achieved by compounding first and then using Swirl Remover. For fresh swirls, blue foam (part # 890138) pads are recommended. For cured swirls, use blue wool (part # 890144) pads, followed with blue foam (part # 890138) pads.

Gal. Part # 133601
32 fl. oz. Part # 133632

For best results use our blue foam buffing pad (part # 890138). See page 8 for pads.

Hand Glaze

Breathable, easy-on/easy-off hand or machine-applied finishing glaze designed to enhance the beauty of both old and newly painted surfaces. Hand Glaze is specially formulated to produce a protective, glass-like finish on all acrylic enamels, acrylic lacquers, urethanes and basecoat/clearcoat finishes. Best used with white foam (part # 890139) pads.

32 fl. oz. Part # 130232

For best results use our white foam buffing pad (part # 890139). See page 8 for pads.

Ultra Buffing System Shop Pak™

The chemical and accessory items in the Presta Shop Pak take you through a complete paint finishing, from compounding to polishing to waxing. Each Shop Pak contains the following:

- 32 oz. Ultra Cutting Crème
- 32 oz. Ultra Polish
- 32 oz. Swirl Remover
- 32 oz. VOC Compliant Fast Wax
- 22 oz. Spray 'N Shine
- Two Single-sided Black Wool Pads
- Two Single-sided Green Wool Pads
- One Single-sided Blue Foam Pad
- Flex Foam Backing Plate
- Hornet™ Wipe Out Cloth
- Laminated buffing chart
- Instructional DVD

Shop Pak™ Part # 136089S

SPECIALTY BUFFING COMPOUNDS

Gel Coat Compound

Perfect for marine and industrial applications, this water-based product removes P800 or finer dual action sand scratches and P1000 or finer wet sand scratches. Creates high gloss finish without waxes, silicones or fillers.

3.0 kg. Part # 138506
Gal. Part # 138501
32 fl. oz. Part # 138532

Strata 1000 Compound

Removes 1000 and finer sand scratches from uncured or very soft paint, such as medium and low solid clears. Strata 1000 produces a high gloss finish without using fillers to hide defects.

Gal. Part # 130001
32 fl. oz. Part # 130032

Foam Pad Compound

Easily removes 2000 grit and finer wet-sand scratches from soft and cured paint. Makes compounding with foam fast and easy. Produces a true finish and eliminates the possibility of scratches dying back.

Gal. Part # 137801
32 fl. oz. Part # 137832

Super Cut Compound

The perfect compound for marine applications. Super Cut is an aggressive compound designed to remove 600 grit sand scratches and oxidation from gel coats, marbled surfaces and some paints. When used with a 100% twisted wool pad (part # 890082WD or 890082WS), Super Cut works fast and leaves a high-gloss finish.

1 Gal. Part # 134501
32 fl. oz. Part # 134532

Euro Cut P3 Compound

Aggressive compound removes coarse through fine sand scratches from cured and fresh paint while producing outstanding gloss. Euro Cut is designed as a wet system.

3.0 kg. Part # 133005

PAIR YOUR COMPOUND OR POLISH WITH THE RIGHT PAD TO ACHIEVE PEAK PERFORMANCE

Coarse

Medium

Soft

Black Pad – Heavy Cut

- Heavy cut compounding pads (most aggressive).
- Effectively removes heavy sanding scratches from fresh and cured painted surfaces.
- Best when used with **Ultra Cutting Creme #1319**, an aggressive compound ideal for removing heavy scratches from soft and aged paints, gel coats and marine coatings.

Yellow Pads – Medium Cut

- Medium cut compounding pads.
- Effectively removes medium – light sanding scratches from fresh and cured painted surfaces.
- Best when used with **Ultra Cutting Creme Light #1334**, a mildly abrasive compound designed to remove medium-to-light sand scratches from any paint surface, while leaving a high-gloss finish.

Green Pads – Light Cut/Heavy Polish

- Light cut compounding pads.
- Ideal for use in 2nd step after compounding.
- Removes minor imperfections and oxidation.
- Minimizes swirls.
- Best when used with **Ultra Polish #1335**, a versatile cleaner/polish that removes oxidation and minor imperfections with minimum swirls and maximum gloss.

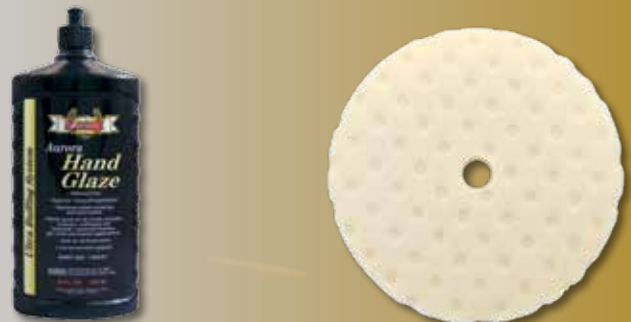

Blue Pads – Soft Polish

- Soft Polishing pads.
- Great for elimination of swirls.
- Offers superior polishing ability.
- Best when used with **Swirl Remover #1336**, a polish designed to remove swirls from painted surfaces and leave a high-gloss finish.

White Pad – Super Soft Polish

- Super soft polishing pad.
- Ultimate pad for glazing and finishing.
- Soft, fine foam polishes to a high, luxurious shine providing incredible depth and clarity.
- Best when used with **Hand Glaze #1302**, a breathable hand- or machine-applied finishing glaze that produces a protective, glass-like finish on all painted surfaces.

HOOK & LOOP PADS

These pads can be attached via hook & loop or bolt-on attachments. Presta pads feature a large surface area and are designed with a recessed cup that prevents the backing plate or bolt-on attachment from coming in contact with the buffing surface.

Wool Hook & Loop Pads

All wool single-sided pads are 9" in diameter and feature 1-1/2" thick wool pile.

Black Wool Cutting Pad

- Blended wool (twisted) heavy cut compounding pad
 - Great for removing all grits of sanding scratches
- Part # 890140

Yellow Blended Wool Medium Cutting Pad

- Blended wool (twisted) medium cut compounding pad
 - Ideal for removing 2000 grit and lighter sanding scratches on fresh paint
- Part # 890142

Green Blended Wool Light Cutting/Polish Pad

- Blended wool (twisted) light cutting to heavy polish pad
 - Fantastic for removing oxidation and light sanding scratches
- Part # 890143

Blue Blended Wool Soft Polish Pad

- Blended wool (twisted) soft polish/swirl removing pad
 - Best for removing swirls from fresh paint. Should be followed up with blue foam.
- Part # 890144

White Wool Heavy Cutting Pad

- Blended white wool (twisted) compounding pad.
 - Both hook and loop and bolt-on attachable.
- Part # 890141

Foam Hook & Loop Pads

Foam pads are 9" in diameter and feature 1-1/2" thick pure polyester-urethane CCS foam.

Orange Foam Heavy Cut Pad

- Heavy Cut – Coarse foam for compounding
- Part # 890135

Yellow Foam Medium Cut Pad

- Medium Cut – Semi-coarse foam for medium to light compounding
- Part # 890136

Green Foam Light Cut Pad

- Light Cut – Slightly coarse foam for polishing
- Part # 890137

Blue Foam Soft Polish Pad

- Soft Polish – Firm, fine foam for polishing/swirl removing
- Part # 890138

White Foam Super Soft Polish Pad

- Super Soft Polish – Soft, fine foam for finishing/glazing
- Part # 890139

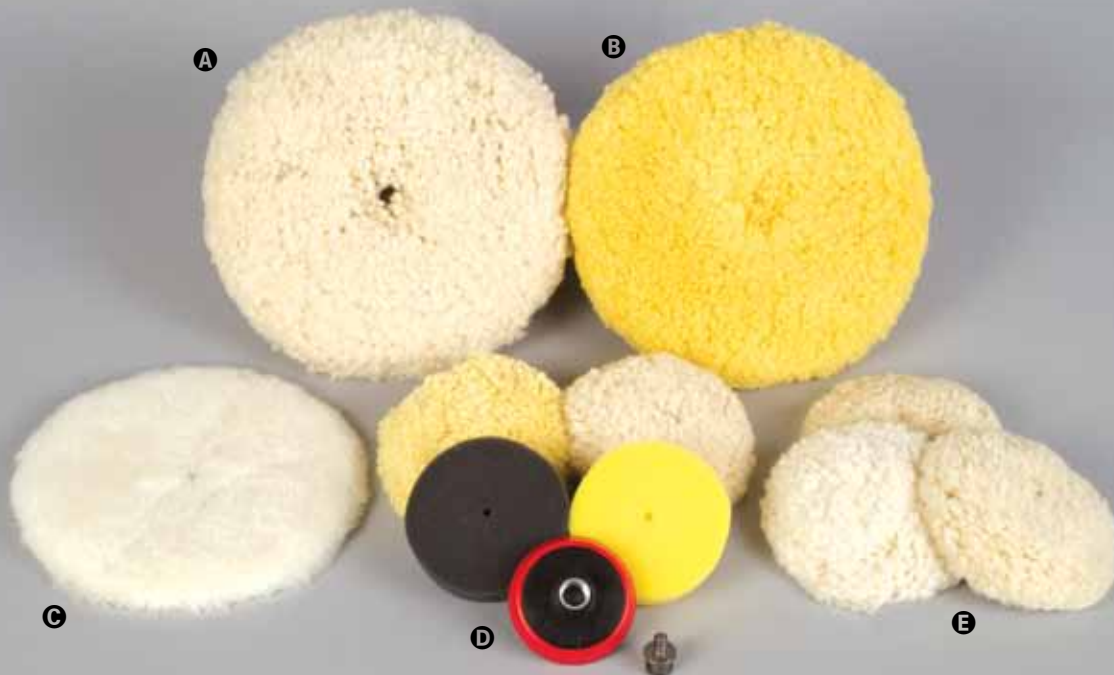

Blue Flat Foam Polishing Pad

For those who like our flat foam pads, we now offer a flat (non CCS) foam buffing pad.

#890145

SPECIALTY PADS, BACKING PLATES & ADAPTERS

Specialty Pads

Presta also stocks a variety of specialty pads and kits for specific detailing needs.

A. Double-Sided Wool Cutting Pad

- 1-1/2" pile, 9" diameter, 100% wool (twisted) all purpose compounding pad
- Screw on attachable with double sided adapter (part #810079 for 5/8" - 11 or #810097MM for 14mm spindles)

Part # 810073

B. Double-Sided Blended Wool Cutting Pad

- 1-1/2" pile, 9" diameter, 50% wool/50% acrylic (twisted) medium cut compounding pad
- Screw on attachable with double sided adapter (part #810079 5/8" - 11 or #810097MM for 14mm spindles)

Part # 810074

C. Hornet Shortcut Pad

- Short-fibered, 8" diameter, 100% pre-washed wool (non-twisted) cutting pad
- Best used for light cutting with minimal swirls
- Hook and Loop attachable

Part # 800131

D. Wheel & Spot Detailing Kit

- Fantastic for removing nibs, spot buffing and polishing vehicle wheels.
- Kit includes one, 100% wool cutting pad, one blended wool finishing pad, one yellow foam compounding pad, one black foam finishing pad, one pneumatic D/A adapter and one backing plate

Part # 890111

E. Wheel and Spot Replacement Pad

- Three 100% wool cutting pads

Part # 890116

Backing Plates

A. Rigid Backing Plates

- 5/8" - 11 Thread
- 14mm (not pictured)

Part # 810093

Part # 810129

B. Flexible Foam Backing Plates

- 5/8" - 11 Thread
- 14mm (not pictured)

Part # 810116

Part # 810127

Adapters

C. Double Sided Extension, 5/8" - 11 Thread

Part # 810079

D. Double Sided Extension, 14mm

Part # 810097MM

QUIK PADS™ – FAST, EASY & CENTERED EVERY TIME

Featuring fast, simple connect/disconnect and perfect centering every time, these pads are dual sided so you get twice the buffing surface. With easy-to-use, patented Quik Pads you save time and money!

Wool Quik Pads™

All wool Quik Pads are 9" in diameter and feature 1-1/2" thick wool pile.

Black Wool Cutting Pad

- Blended wool heavy cut compounding pad
 - Great for removing all grits of sanding scratches
- Part # 890083WD

Yellow Blended Wool Medium Cutting Pad

- Blended wool (twisted) medium cut compounding pad
- Ideal for removing 2000 grit and lighter sanding scratches on fresh paint

Part # 890084WD

Green Blended Wool Light Cutting/Polish Pad

- Blended wool light cutting to heavy polish pad
- Fantastic for removing oxidation and light sanding scratches

Part # 890085WD

Blue Blended Wool Soft Polish Pad

- Blended wool soft polish/swirl removing pad
- Best for removing swirls on fresh paint. Should be followed up with blue foam.

Part # 890086WD

White Wool Compounding Pad

- 100% white wool (twisted) compounding pad.
- All purpose compounding pad.

Part # 890082WD

Quik Pad™ Spindle Adapters

Quik Pad Spindle Adapters make connecting these pads fast and easy and provide the quickest way to switch between pads.

See page 11 for a complete list of styles and sizes.

Foam Quik Pads

All Foam Quik Pad are 9" in diameter and feature 1-1/2" thick pure polyester-urethane, open cell foam.

Black Foam Cutting Pad

- Heavy Cut – Coarse foam for compounding

Part # 890088FD

Yellow Foam Medium Cut Pad

- Medium Cut – Semi-coarse foam for medium to light compounding

Part # 890089FD

Green Foam Light Cut/Polish

- Light Cut – Slightly coarse foam for light cutting or heavy polishing

Part # 890090FD

Blue Foam Soft Polish Pad

- Soft Polish – Firm, fine foam for polishing/swirl removing

Part # 890091FD

White Foam Super Soft Polish Pad

- Super Soft Polish – Soft, fine foam for finishing/glazing

Part # 890092FD

Waffle Quik Pads™

Bevel design allows you to reach tight areas and produce fantastic finishes. Features quick connect/disconnect with the patented Quik Pad spindle adapter. 9" pads with 1-1/2" thick foam.

Orange Waffle Foam Pad	Part # 890124WAF
Yellow Waffle Foam Pad	Part # 890120WAF
Green Waffle Foam Pad	Part # 890121WAF
Blue Waffle Foam Pad	Part # 890122WAF
White Waffle Foam Pad	Part # 890123WAF

6" Double-Sided Pads

Perfect choice for spot buffing, removing dirt nibs and working on smaller surfaces such as motorcycles.

14mm
Part # 890094MM

Buffing Pad Accessories

- A. **Buffing Pad Washer**
Great for cleaning and reconditioning both wool and foam pads.
Part # 810057P
- B. **Presta Apron**
Durable cotton/polyester material is machine washable for easy clean-up.
Part # 800130
- C. **DeWalt™ DW-849**
Variable speed polisher.
Part # 810033
- D. **Foam Pad Conditioning Brush**
Removes excess compound and debris from all types of foam pads.
Part # 890080
- E. **Wool Pad Buffing Spur**
Great for removing excess compound, dirt and debris from wool pads.
Part # 810007

WASHES, WAXES AND QUICK DETAILERS

Designed with body shops in mind, our complete line of Professional Appearance Products is the perfect complement to our buffing compounds and paint restoration products. Unless indicated, all of these products are body shop safe and VOC compliant. Treat your customers to the best – dress and prep their vehicles with Presta products.

Sudzz™ Car Wash

Delivers performance and value. This hard-working cleaner penetrates to clean dirt, grease and grime and leaves the surface clean and film-free. 1:128 dilution.

5 Gal. #135505
1 Gal. #135501

Lubri-Suds™ All-Purpose Shampoo

Designed specifically for the auto body repair industry. Its unique, lubricating and sudsing action lifts away all types of dirt and grime. Tough enough to remove dirt and dust from auto exteriors yet gentle enough to clean interior carpet and upholstery. Provides proper lubrication for wet sanding. 1:64 interior. 1:128 exterior. 1:256 wet sanding.

5 Gal. #131005
1 Gal. #131001

Ultra Concentrated Car Wash

Combines an environmentally-friendly formula with thick, rich suds to eliminate road film and common automotive soils quickly, easily and thoroughly. Provides great suds at 1:400 dilution.

5 Gal. #138105
1 Gal. #138101

Best Wax™

Creates a dazzling gloss. This long-lasting carnauba wax formula seals and protects fully-cured paint (minimum 30-days) against environmental damage such as industrial fallout, acid rain, rail dust, bird droppings and tree sap.

16 fl. oz. #130516

Nano Finishing Spray

Advanced nano wax particles penetrate deep into vehicle surfaces and provide a high-gloss finish with lasting protection. Great for interior and exterior surfaces. Cleans and dresses in one step.

1 Gal. #139201 22 fl. oz. #139222

Nano Cleaner Wax

Restores gloss and protects aged and oxidized finishes. Provides lasting protection against acid rain, detergent washings, industrial fallout and the harsh environment. Great for removing tar, grease, grime, bird-droppings, tree sap, glue lines and environmental contaminants.

16 fl. oz. #137216

VOC Fast Wax™

Liquefied paste wax with premium, natural and synthetic ingredients. It can be applied over 24-hour old clear coat and single-stage finishes without risk of dieback, because it creates a breathable film that permits solvents to escape.

1 Gal. #134101 32 fl. oz. #134132

Fast Wax™

Beautifies and protects both fresh and fully cured automotive finishes with a special oil-free, breathable formula. Wipes off easily without dust or mess.

1 Gal. #132501
32 fl. oz. #132532

Spray 'n Shine™

This easy-to-use appearance enhancer removes fingerprints and dirt and leaves an attractive shine on any non-porous, painted surface. Use as a lubricant with overspray clay or during buffing when the compound, polish or pad gets too dry.

1 Gal. #130901
22 fl. oz. #130922

DRESSINGS, DEGREASERS, CLEANERS AND MORE...

Conquest™ Heavy-Duty Cleaner

Powerful cleaner/degreaser. Biodegradable, non-caustic concentrate will not harm newly painted surfaces, does not etch aluminum and leaves no film or residue. Can be diluted to clean a variety of automotive surfaces.

5 Gal. #131105 1 Gal. #131101

VOC Radiant™ Dressing

Non-silicone, ready-to-use dressing specially formulated for body shops. Restores rich colors and gloss to surfaces faded by exposure to sunlight and weathering.

5 Gal. #134205 1 Gal. #134201
22 fl. oz. #134222

Non-Acid Tire & Wheel Cleaner

Fast-acting, non-acid formula that leaves wheels clean and bright. Eliminates worry about cleaner and wheel compatibility.

5 Gal. #135605 1 Gal. #135601
22 fl. oz. #135622

All-Weather Dressing

Solvent-based, ready-to-use silicone dressing ideal for use on all vehicle interior and exterior vinyl, rubber and plastic. It beautifies surfaces and prevents drying, fading and cracking. Use it on tires, moldings, dashboards, door panels, bumpers and vinyl floor mats.

5 Gal. #137905 1 Gal. #137901

Ultra Concentrated Glass Cleaner

Quickly and easily cuts through dirt, grease, grime and oily films on auto glass and other hard shiny surfaces. This ammonia-free formula provides deep down cleaning action and leaves surfaces spotless, shiny and streak-free. 1:10 dilution.

5 Gal. #138305 1 Gal. #138301

Nano RTU Glass Cleaner

Powers away grease, grime, dirt and oily films from automotive glass, mirrors, chrome, stainless steel and other hard, shiny surfaces. This VOC free, non-ammonia formula features a special blend of polymers and cleaners that leave surfaces spotless and streak free.

5 Gal. #136505 1 Gal. #136501
22 fl. oz. #136522

Ammonia-Free Glass Cleaner

Removes oily films and dirt from automotive, shop and home glass surfaces. The hard-working foam clings to surfaces and works immediately. Just spray and wipe.

19 oz. Aerosol Can #132920

Metal Polish

Eliminate surface oxidation, brake dust and oily residue from all vehicular and household metalwork. Special micro-abrasives will neither scratch nor damage metals.

16 fl. oz. #135416

Headlight Restoration Crème

Quickly removes light to medium scratches, discoloration, dirt and grime from vehicle headlight lenses, leaving them with a like-new appearance. Can also be used on plastic, Plexiglass®, acrylic and boat windshields.

16 fl. oz. #136816

Leather & Vinyl Cleaner

Removes grease, grime and soils from vinyl, plastic and leather. The powerful penetrating formula cleans down to the pores and leaves the surfaces clean, film-free and shiny.

5 Gal. #134905 1 Gal. #134901
22 fl. oz. #134922

Leather Conditioner

Revives tired, hardened and soiled leather and converts it back to supple beauty. Non-greasy formula cleans and conditions all leather surfaces restoring a rich, lustrous gleam.

16 fl. oz. #134616
