

# MARINE MAINTENANCE GUIDE

PROFESSIONAL BOAT CLEANING AND MAINTENANCE PRODUCTS

# SURFACE CORRECTION

## #1345 Super Cut

Aggressive compound easily removes P800 grit and finer scratches and oxidation. Use with 100% white wool pad for heavy oxidation. Contains no waxes or fillers.

**32 fl. oz. #134532**  
**1 gal. #134501**

## #1385 Gel Coat

Quick cutting compound easily removes P1000 grit and finer scratches and oxidation. Immediate cutting action of the abrasives won't overheat the surface, making it the ideal choice for marine gel coats. Use with 100% white wool pad for heavy to medium oxidation. Contains no waxes or fillers.

**32 fl. oz. #138532**  
**1 gal. #138501**

## #1334 Ultra Cutting Crème Light

Light cutting, all-around compound. Use with a yellow wool pad to remove P2000 grit and finer scratches to return gel coats to a smooth, even surface. For finer defect removal and polishing, use with a yellow foam pad. Contains no waxes or fillers.

**32 fl. oz. #133432**  
**1 gal. #133401**

## #1335 Ultra Polish

This cleaner/polish removes minor surface imperfections and light oxidation from marine gel coats. With no waxes, scratch-fillers or silicones, it creates an extremely high-gloss finish that won't wash away. Apply with a high-speed polisher.

**32 fl. oz. #133532**  
**1 gal. #133501**

**White wool heavy cutting pad**

**Single #890141**  
**Double #810073**

**Yellow wool light cutting pad**

**Single #890142**  
**Double #810074**

**Green wool polish pad**

**Single #890143**  
**Double #890163**

# CLEANING & DETAILING

## #1668 Nano Cleaner Wax

Nano-sized polishing agents restore brilliant gloss to weathered, fiberglass gel coats. Remove light oxidation, contaminants and minor imperfections while adding a silicone polymer wax for shine and protection.

**1 gal. #166801**

## #1661 UV Crème Wax

Provides long lasting shine and UV protection on fiberglass, gel coat and painted marine finishes in one easy step. Advanced technology polishing agents and waxes combine with dual functional UV absorbers, silicone resin and polymers to create exceptional protection against salt, corrosion and ultraviolet rays.

**16 fl. oz. #166116**

**1 gal. #166101**

## #1392 Nano Finishing Spray

Advanced nano technology provides exceptional shine and lasting protection on all marine surfaces including vinyl, leather, glass, plastic, painted and textured surfaces. Will not turn plastic white. Provides up to 60 days of protection.

**22 fl. oz. #139222**

**1 gal. #139201**

## #1662 Ultra Conc. Boat Wash

Phosphate-free and biodegradable high foaming liquid wash produces foam that lasts the whole wash. Highly concentrated. Dilute 1:400.

**32 fl. oz. #166232**

**1 gal. #166201**

## #1660 Hull & Deck Cleaner

Phosphate-free and biodegradable powerful cleaner designed for flat and non-skid surfaces. This highly concentrated, non-caustic and aluminum-safe cleaner removes dirt and grease stains and streaks from fiberglass, metal and painted surfaces.

**1 gal. #166001**

## #1665 Metal Polish

Contains micro-abrasives to remove surface oxidation without scratching or damaging metals. Use on chrome, aluminum, stainless steel and other metals.

**16 fl. oz. #166516**

## #1663 Vinyl & Plastic Cleaner

Powers away grease, grime, mildew and dirt from vinyl, rubber, plastic and leather. This ready-to-use formula penetrates deep into the pores to remove deeply embedded soils and leaves surfaces clean and film-free.

**22 fl. oz. #166322**

## #1664 Vinyl & Plastic Conditioner

Protects and beautifies vinyl, plastic, rubber and leather. This premium enhancer helps revive faded and hardened surfaces, leaving a high-gloss protective barrier that helps seal out the damaging effects of sun, age and use.

**22 fl. oz. #166422**

## #1666 Express Detail

Remove dust, smudges, water spots and fingerprints while leaving a bright, glossy shine on glass, metal and exterior finishes.

**22 fl. oz. #166622**

## #1667 Glass Cleaner

Phosphate & ammonia free, this biodegradable formula removes dirt, grime, oily films, salt water residue and bird droppings. Leaves glass, tinted glass, mirrors, chrome, stainless steel and more spotless and streak-free.

**22 fl. oz. #166722**

# PRESTA® MARINE PRODUCTS

KEEPING YOUR WATERCRAFT CLEAN & PROTECTED

Presta® Products has been manufacturing high-quality, specialty finishing and cleaning products such as compounds, detailing chemicals and accessories used by a variety of automotive, marine and industrial customers since 1953. Our trade-focused, professional-grade products are uniquely formulated to provide our customers with the results they are looking for.

Our marine customers and partners include a variety of local marinas, larger regional marinas, large marine distributors, and well-known OEM's. Presta's commitment to the marine market runs deep and is dedicated to delivering exceptional market expertise and high-performing products developed for the marine market.

From stem to stern, Presta's complete line of marine products is designed to keep your boat, yacht or watercraft clean and protected. From gel coat to painted surfaces, glass to metal, vinyl to plastic – Presta has the professional line of products you need to get the job done safely and effectively.
