

WAX COMPARISON CHART

Choosing a car wax is a trade-off between ease of use and durability. Below is a wax comparison chart that details the differences between Presta's waxes.

Waxes	Durability	Ease of Use	Application Method	Fragrance	For Use On	Extra
Best Wax	60 to 90 days	3	Hand Orbital	Cherry Scent	Cured Paint	Protects against acid rain, industrial fallout, bird droppings and tree sap
VOC Fast Wax	30 days	5	Hand	Fresh Scent	Fresh or Cured Paint	Creates a breathable film that allows solvents to escape.
Spray 'N Shine	Quick Detailer	6	Hand	Cherry Scent	Fresh or Cured Paint	Use as a lubricant with overspray clays or during buffing. Also removes fingerprints and light dirt.
